Provisional agenda item 6.1

## **Status of collection of assessed contributions including Members in arrears to an extent which would justify invoking Article 7 of the Constitution**

### **Report by the Director-General**

#### **STATUS OF COLLECTION**

1. In order for WHO to deliver the approved programme budget in full, contributions from Member States must be received in full and on time. Payments are due annually as of 1 January for the year to which they relate. Late payment has been of serious concern to successive Executive Boards and Health Assemblies.
2. At 31 December 2004, the rate of collection for the year was 90%, the same as at 31 December 2003 (see Annex 1, Figure 1). Of Member States, 119 have paid in full and a further 33 have paid in part (see Annex 1, Figure 2). It is pleasing to note that the recent improvement in the annual rate of collection is being sustained. Nevertheless, those Member States yet to make full payments of assessed contributions for 2004 (and prior years, if applicable) are urged to make such payments as soon as possible so that the budget may be fully financed and implemented.
3. Annex 2 shows the status of collection of annual regular budget contributions as at 31 December 2004, and lists all amounts due from each Member State, up to and including 2004. Unpaid contributions include amounts that are due as at 31 December 2004, and amounts due in future under special arrangements authorized by the Health Assembly but which may be paid in the future under an instalment scheme. On 31 December 2004, a total of some US\$ 125 million was owing from Member States, with a further US\$ 12 million due under special arrangements referred to above (see Annex 2, Sections 2 and 3). The equivalent figures at 31 December 2003 were US\$ 118 million and US\$ 14 million, respectively.
4. The total value of payments received in advance for 2005 is lower than for 2004 with fewer Member States having paid in advance than had paid at the same time last year: 25 Member States have paid their contributions in full for 2005 (see Annex 2, Section 4) whereas, on 31 December 2003, 31 Member States had paid in full for 2004.

## **MEMBERS IN ARREARS**

5. Article 7 of the Constitution states that “If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges and services to which a Member is entitled”.

6. In accordance with resolution WHA41.7, if at the time the Health Assembly opens, a Member is in arrears in the payment of its financial contributions in an amount which equals or exceeds the amount of the contributions due from it for the preceding two full years, the Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, under which the voting privileges of the Member will be suspended as from the opening day of the following Health Assembly, if at that time the Member is still in arrears to the extent referred to. If the Member is no longer in arrears to the said extent, the decision will lapse and the suspension will not take effect.

7. Pursuant to resolution WHA41.7, subsequent Health Assemblies have adopted resolutions whereby the voting privileges of the 20 Member States listed in Annex 3 have been suspended, the suspension to continue at the Fifty-eighth and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. Pursuant to the adoption by the Fifty-seventh World Health Assembly of resolution WHA57.5, the voting privileges of Solomon Islands will be suspended as from the opening of the Fifty-eighth World Health Assembly in May 2005, if at that time this Member is still in arrears in the payment of its contributions to an extent that would justify invoking Article 7 of the Constitution.

9. Eight other Member States, namely Belarus, Colombia, Guinea, Islamic Republic of Iran, Kiribati, Paraguay, Peru and Uruguay, are currently in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as shown in Annex 3.

10. Immediately before the opening of the Fifty-eighth World Health Assembly, the Director-General will report further to the Programme, Budget and Administration Committee of the Executive Board on the Members referred to in paragraph 9 above so that the Committee may formulate recommendations to the Health Assembly based on the provisions of resolution WHA41.7 and the status of the arrears at that time.

11. If at that time the Members and Associate Member concerned are still in arrears to the extent referred to in paragraph 9 above and pursuant to resolution WHA41.7, the Fifty-eighth World Health Assembly will adopt a decision, unless there are exceptional circumstances justifying a different measure, by which the voting rights of these eight Member States will be suspended as from the opening day of the Fifty-ninth World Health Assembly in May 2006.

## **ADJUSTMENT MECHANISM**

12. Resolution WHA56.34, adopted in May 2003, approved the establishment of an adjustment mechanism that would be available to compensate those Member States that experience an increase in their rate of assessment because of the change in the WHO scale of assessments for 2004-2005 and for 2006-2007, as compared with the WHO scale of assessments for 2000-2001. The amount of adjustment available to each Member State is limited to a maximum of 60% of the increase in 2004, a maximum of 40% of the increase in both 2005 and 2006, and a maximum of 30% of the increase in

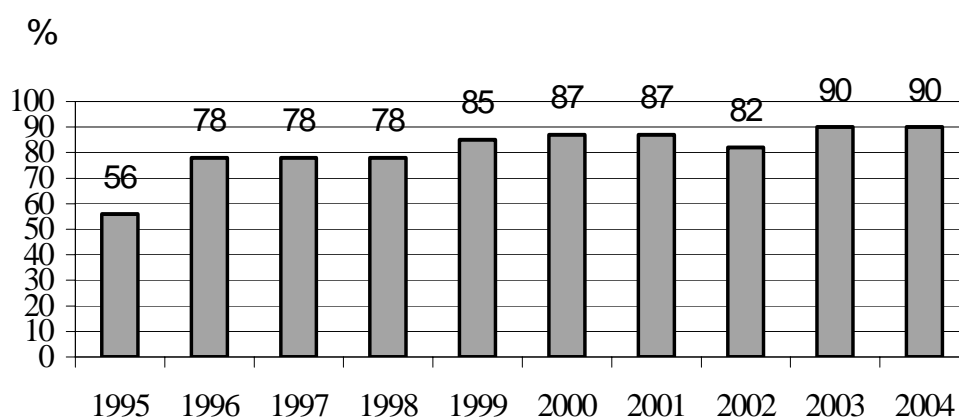

2007. The sum of US\$ 12.4 million (rounded up) was appropriated under resolution WHA56.32 for the purpose of financing this mechanism for 2004-2005. In order to avail themselves of the mechanism, Member States were required before the beginning of the year concerned to notify the Director-General of their intention to benefit from the mechanism. A total amount of US\$ 12.7 million has been claimed by Member States for the period 2004-2005. As this amount is slightly higher than the US\$ 12.4 million appropriated, the amounts credited to claimants for 2005 assessments have been slightly reduced in proportion to the amounts to which Members are eligible. Where applicable, the credits given are included in the contribution amounts prepaid for 2005, listed in the table shown in Annex 2, Section 4.
