Provisional agenda item 9.3

EB115/31 Corr.1
7 January 2005

Reports requested by earlier resolutions

Report by the Secretariat

CORRIGENDUM

B. VIOLENCE AND HEALTH (resolution WHA56.24)

Paragraph 14. The last sentence should read as follows:

As of October 2004, over 40 countries had launched the Report and nominated health ministry focal points; four countries had prepared national reports on violence and health and another 13 had **made plans to prepare such reports in 2005-2006.**
