

## **Proposal for a supplementary agenda item**

1. A proposal for a supplementary agenda item on radiation protection and safety of radiation sources: International Basic Safety Standards is submitted to the Executive Board for its consideration. The Board's action in noting the revised International Basic Radiation Safety Standards forms part of the process of the publication of the revised Standards and, if undertaken, would accomplish the necessary action by WHO, as one of eight cosponsors.
2. Supplementary documentation to accompany this proposal will be provided if the item is added to the agenda.
