

## **Closure of the session**

### **Suspension of the 147th session of the Executive Board**

#### **Report by the Director-General**

1. Following a series of consultations with Member States on the holding of the 147th session of the Executive Board, the Board agreed through a written silence procedure that the session would be held on Friday, 22 May 2020, and that it would take place virtually, using video conference technology.
2. As the Board will not complete its full agenda at the virtual meeting of its 147th session in May, it is proposed that the Board suspend its session with a view to resuming its work later in the year. The present document is intended to enable the Board to take a decision in that regard.

#### **ACTION BY THE EXECUTIVE BOARD**

3. In view of the foregoing, the Board may wish to consider the following draft decision.

The Executive Board, having considered the report on the suspension of the Board's 147th session,<sup>1</sup> decided:

- (1) to suspend the 147th session of the Executive Board and to resume it at such date and either in Geneva or through such means as to be decided by the Executive Board or, exceptionally, by the Officers of the Executive Board in consultation with the Director-General;
- (2) that all items that have not been considered at the virtual meeting of the 147th session of the Executive Board held on 22 May 2020 will be considered by the Executive Board at its resumed 147th session.
