Follow-up of the Political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases

Draft decision proposed by Costa Rica, Eswatini, Jamaica, Norway, Qatar, Russia, Sudan and Uruguay

The Executive Board, having considered the report on the political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases[1] and its annexes on the mid-point evaluation of the WHO global action plan for the prevention and control of noncommunicable diseases 2013–2030[2] and the final evaluation of the global coordination mechanism on the prevention and control of noncommunicable diseases,[3] decided to recommend to the Seventy-fourth World Health Assembly the adoption of the following decision:

> The Seventy-fourth World Health Assembly, having considered the report on the political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases, and its annexes on the mid-point evaluation of the WHO global action plan for the prevention and control of noncommunicable diseases 2013–2030 and the final evaluation of the WHO global coordination mechanism on the prevention and control of noncommunicable diseases, decided:
>
> > (OP1) to request the Director-General to present, in response to the global action plan for the prevention and control of noncommunicable diseases 2013–2030 and the recommendations of the mid-term evaluation of the global action plan, an implementation roadmap 2023–2030 for the global action plan through the Executive Board at its 150th session, and subsequent consultations with Member States[4] and relevant stakeholders, for consideration by the Seventy-fifth World Health Assembly;
> >
> > (OP2) to request the Director-General, in response to the recommendations of the final evaluation of the WHO global coordination mechanism on the prevention and control of noncommunicable diseases, to develop, in consultation with Member States[4] and relevant stakeholders, an options paper on the global coordination mechanism, for further guidance by the Seventy-fourth World Health Assembly.
