Standardization of medical devices nomenclature

The Executive Board, having considered the reports by the Director-General on standardization of medical devices nomenclature and the draft steps towards standardization referred to therein,\(^1\)

Decided to request the Director-General:

(1) to continue the mapping and use of the four nomenclature systems in WHO platforms and publications, with stakeholder collaboration, [and with the purpose of drafting a plan on the development of a WHO global nomenclature of medical devices];

(2) to submit a report on progress made on the steps towards the standardization of medical devices nomenclature to the Seventy-sixth World Health Assembly in 2023.
