

Political declaration of the third high-level meeting of the General Assembly on the prevention and control of noncommunicable diseases

The Executive Board, having considered the reports of the Director-General on the political declaration of the third high-level meeting of the General Assembly on the prevention and control of noncommunicable diseases,¹

Decided to recommend that the Seventy-fifth World Health Assembly note the report and its annexes, and that it adopt:

- the implementation road map 2023–2030 for the global action plan for the prevention and control of noncommunicable diseases 2013–2030;²
- the recommendations to strengthen and monitor diabetes responses within national noncommunicable disease programmes, including potential targets;³
- the global strategy on oral health;⁴
- the recommendations on how to strengthen the design and implementation of policies, including those for resilient health systems and health services and infrastructure, to treat people living with noncommunicable diseases and to prevent and control their risk factors in humanitarian emergencies;⁵
- the intersectoral global action plan on epilepsy and other neurological disorders 2022–2031;⁶
- the action plan (2022–2030) to effectively implement the global strategy to reduce the harmful use of alcohol as a public health priority;⁷
