

Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution

Situation in respect of 2020

Report by the Director-General

REFERRAL OF DECISION ON MEMBER STATES IN ARREARS

1. In May 2021, the Seventy-fourth World Health Assembly adopted decision WHA74(28), in which it decided to refer to the 150th session of the Executive Board in January 2022, through the Programme, Budget and Administration Committee, consideration of the status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution; and, with respect to the situation in 2020, and in accordance with Article 29 of the WHO Constitution, to delegate to the 150th session of the Executive Board the power to suspend the voting privileges of Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution.
2. This report provides an update on the situation as well as an updated draft resolution.

STATUS OF COLLECTION

3. In order for WHO to implement the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member States are required to pay their contribution as of 1 January of the year to which it relates.
4. Contributions for 2020 were received, either in full or in part, from 139 of the 196 Members and Associate Members (compared with 140 Members and Associate Members in 2019).¹ Details of amounts assessed and collected are shown in Annex 1.
5. Unpaid contributions as at 31 December 2020 amounted to US\$ 141.6 million and Sw.fr. 139.8 million (constituting a combined total of US\$ 299.9 million) with a further US\$ 20.3 million due under special arrangements authorized by the Health Assembly, compared with US\$ 207.5 million (combined total) and US\$ 29.2 million due under special arrangements at the end of

¹ For 2019 data, see document A73/26.

2019. Details of payments made as at 31 December 2020 under special arrangements are shown in Annex 2.

MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE

6. As at 31 December 2020, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2021 and future years. In total, contributions received in advance as at 31 December 2020 amounted to US\$ 52.6 million (US\$ 40.2 million at 31 December 2019). Advance payments are detailed in Annex 3.

MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS

7. Article 7 of the Constitution states that, if a Member fails to meet its financial obligations to the Organization, the Health Assembly may suspend the Member's voting privileges. If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly takes a decision on suspension of the Member's voting privileges in accordance with resolution WHA41.7 (1988).

8. In accordance with previous Health Assembly resolutions, the voting privileges of Afghanistan, Central African Republic, Chad, Comoros, Congo, Democratic Republic of the Congo, Equatorial Guinea, Gambia, Iraq, Kyrgyzstan, Somalia, South Sudan, Sudan, Suriname, Venezuela (Bolivarian Republic of) and Yemen were suspended, or remained suspended, at the opening of the Seventy-fourth World Health Assembly in 2021.

9. Of these Member States, Chad, Congo, the Democratic Republic of the Congo, Kyrgyzstan and Suriname have since paid their arrears during or after the close of the Seventy-fourth World Health Assembly in full or to a level below the amount that would justify invoking Article 7 of the Constitution and the suspension of their voting privileges has therefore ceased.

10. As at 27 December 2021, the voting privileges of Afghanistan, Central African Republic, Comoros, Equatorial Guinea, Gambia, Iraq, Somalia, South Sudan, Sudan, Venezuela (Bolivarian Republic of) and Yemen will remain suspended at the opening of the Seventy-fifth World Health Assembly in 2022 and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution. Details of the amounts outstanding are provided in Annex 4.

11. Annex 2 lists 12 Member States that have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments amounting to US\$ 8.9 million were received in 2020 (compared with US\$ 4.4 million in 2019) in accordance with these special arrangements. As of October 2021, seven of the Member States concerned have met their commitments under these arrangements.

12. As at 1 December 2021, three Member States, namely Eritrea, Iran (Islamic Republic of) and Libya, remain in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, was also behind with its assessed contributions.

13. Pursuant to decision WHA74(28) (2021) and resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the 150th Executive Board may decide to adopt a resolution deciding that the voting privileges of the three Member States mentioned in paragraph 12 will

be suspended as from the opening day of the Seventy-fifth World Health Assembly, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

14. Member States in arrears of payment to the extent referred to above may request these arrears to be rescheduled. The Director-General would review such requests with the Member States concerned and submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements are considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. No requests to reschedule payment of arrears were submitted for consideration in 2021 following the closure of the Seventy-fourth World Health Assembly.

ACTION BY THE EXECUTIVE BOARD

15. No action is required by the Board in respect of those Members whose voting privileges have already been suspended under previous Health Assembly resolutions.

16. The Board may wish to consider the following draft resolution in respect of Eritrea, Iran (Islamic Republic of) and Libya, in accordance with the principles stated in resolution WHA41.7 and taking into consideration the delegation of power to suspend voting privileges contained in decision WHA74(28):

The Executive Board,

Having considered the report on status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution,¹

Having been delegated the power to suspend the voting privileges of Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution,

Noting that Eritrea, Iran (Islamic Republic of) and Libya remained in arrears at the time of the 150th Executive Board to such an extent that it was necessary for the Executive Board to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended at the opening of the Seventy-fifth World Health Assembly in 2022,

DECIDES:

(1) that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Seventy-fifth World Health Assembly, Eritrea, Iran (Islamic Republic of) and Libya are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended;

(2) that any suspension that takes effect as set out in paragraph (1) above shall begin as from the opening day of the Seventy-fifth World Health Assembly and continue at

¹ Document EB150/32.

subsequent Health Assemblies, until arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;

(3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
