Programme of work

Agenda items

Pillar 2: One billion more people better protected from health emergencies (continued)

15. Public health emergencies: preparedness and response (continued)

15.1 Strengthening WHO preparedness for and response to health emergencies (continued)

Documents EB150/15, EB150/16, EB150/CONF./3 and EB150/CONF./3 Add.1

15.2 Standing Committee on Pandemic and Emergency Preparedness and Response (continued)

Documents EB150/17, EB150/CONF./2 and EB150/CONF./2 Add.1

Pillar 1: One billion more people benefitting from universal health coverage

7. Political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases

Documents EB150/7, EB150/7 Add.1 and EB150/7 Add.2

The discussion to be organized as follows:

(a) Draft implementation road map 2023–2030 for the global action plan for the prevention and control of noncommunicable diseases 2013–2030

(d) Draft recommendations on how to strengthen the design and implementation of policies, including those for resilient health systems and health services and infrastructure, to treat people living with noncommunicable diseases and to prevent and control their risk factors in humanitarian emergencies

(f) Progress achieved in the prevention and control of noncommunicable diseases and the promotion of mental health

- (j) Draft workplan for the global coordination mechanism on the prevention and control of noncommunicable diseases

The discussion to be organized as follows:

- (b) Draft recommendations to strengthen and monitor diabetes responses within national noncommunicable disease programmes, including potential targets
- (c) Draft global strategy on oral health
- (e) Progress in the implementation of the global strategy to accelerate the elimination of cervical cancer as a public health problem and in the achievement of its associated goals and targets for the period 2020–2030
- (i) Draft recommendations for the prevention and management of obesity over the life course, including potential targets

The discussion to be organized as follows:

- (g) Draft intersectoral global action plan on epilepsy and other neurological disorders in support of universal health coverage
- (h) Draft action plan (2022–2030) to effectively implement the global strategy to reduce the harmful use of alcohol as a public health priority

If time permits

The following three items to be taken together:

8. The global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections

Documents EB150/8 and EB150/8 Add.1

9. Global strategy for tuberculosis research and innovation

Document EB150/9

10. Road map for neglected tropical diseases 2021–2030

Document EB150/10
