**10:00–13:00
14:00–17:00**

Programme of work

Agenda items

Pillar 1: One billion more people benefitting from universal health coverage (continued)

7. Political declaration of the third high-level meeting of the General Assembly on the prevention and control of non-communicable diseases (continued)

Documents EB150/7, EB150/7 Add.1 and EB150/7 Add.2

The discussion to be organized as follows:

- (b) Draft recommendations to strengthen and monitor diabetes responses within national noncommunicable disease programmes, including potential targets
- (c) Draft global strategy on oral health
- (e) Progress in the implementation of the global strategy to accelerate the elimination of cervical cancer as a public health problem and in the achievement of its associated goals and targets for the period 2020–2030
- (i) Draft recommendations for the prevention and management of obesity over the life course, including potential targets

The discussion to be organized as follows:

- (g) Draft intersectoral global action plan on epilepsy and other neurological disorders in support of universal health coverage
- (h) Draft action plan (2022–2030) to effectively implement the global strategy to reduce the harmful use of alcohol as a public health priority

The following three items to be taken together:

8. The global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections

Documents EB150/8 and EB150/8 Add.1

9. Global strategy for tuberculosis research and innovation

Document EB150/9

10. Road map for neglected tropical diseases 2021–2030

Document EB150/10

The following three items to be taken together:

11. Immunization Agenda 2030

Document EB150/11

12. Infection prevention and control

Document EB150/12

13. Global road map on defeating meningitis by 2030

Document EB150/13

If time permits
