3. The terms of office of the member and alternate member appointed by the Forty-ninth World Health Assembly will expire at the closure of the Fifty-second World Health Assembly.

4. Recognizing the importance of maintaining continuity of the Health Assembly representation on the WHO Staff Pension Committee and on the United Nations Joint Staff Pension Board, and given the complexity of the issues under review at the Pension Board, the Forty-eighth World Health Assembly decided to follow the practice of a number of other organizations by designating representatives by name from delegations to the Health Assembly. This allows the reappointment, if appropriate, of members and alternate members by name for a further term of office.

5. The principle of having the six WHO regions represented on the WHO Staff Pension Committee has also been respected at previous Health Assemblies.

ACTION BY THE HEALTH ASSEMBLY

6. The Assembly may wish to renominate Dr L. Malolo, member of the delegation of Tonga as a member to the WHO Staff Pension Committee and to nominate Dr J.K.M. Mulwa, member of the delegation of Botswana as an alternate member.
