#### Personal mail

Delegates and representatives of nongovernmental organizations in official relations with WHO are kindly requested to collect every day their personal mail, messages, invitations at the enquiry desk.

#### Security

If you face a security-related emergency or have any particular question concerning your security while in Geneva, please contact WHO security office/duty officer telephone number at: +41(0)22 791 11 17.

We also would like to remind you that security screening checks, during the World Health Assembly (WHA), have increased for both vehicles and pedestrians seeking access to the Palais des Nations and to the conference room areas. As a result, we would advise that you please come prepared with required proof of identity and proper accreditation to facilitate your entry into the WHA area.

\* This number supersedes the preliminary number of the Journal issued on 4 May 2010. The programme of work is subject to decisions taken by the Health Assembly and the General Committee.

### III. Technical briefings

The following technical briefings will take place during the Sixty-third World Health Assembly.

**Monday, 17 May 2010**

**12:15–14:15**

**Room XVII**

---

#### **Health Reform Experiences from Brazil, China, and the Netherlands**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

It is now increasingly evident that well functioning health systems are critical to successful health goals. Many countries are thus scaling up efforts towards health reform, including reviewing the progress made so far. The briefing will provide Brazil, China, and the Netherlands the opportunity to share experiences and lessons learned in the health reform process.

#### **Technical briefings on Millennium Development Goals**

**Tuesday, 18 May 2010**

**12:15–14:15**

**Room XVII**

---

#### **Session 1: Progress and major challenges that remain**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

The first session explores progress so far and where the major challenges remain focusing on all relevant MDGs.

**Wednesday, 19 May 2010**

**12:15–14:15**

**Room XXIV**

---

#### **Session 2: Lessons learned to date**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

The second session will highlight experience over the past 10 years of key country and global programmatic and policy efforts that contributed to success.

**Thursday, 20 May 2010**

**12:15–14:15**

**Room XXIV**

---

#### **Session 3: Strategies to achieve the MDGs**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

The third session will explore ways forward to achieve the MDGs, with particular attention to the role of more coherent and prioritized national health policies, strategies and plans and how WHO can assist countries.

## IV. Other meetings

The Secretariat has been advised that the following meetings will take place before and during the Sixty-third World Health Assembly:
