### III. Technical briefings

The following technical briefings will take place during the Sixty-fourth World Health Assembly.

**Tuesday, 17 May 2011**

**12:30–14:15**

**Room XII**

---

#### **Public health concerns and radiation health**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

This technical briefing will provide Member States with an update on the public health impact of the events at the Fukushima nuclear power plant following the devastating earthquake and tsunami that struck Japan in March 2011. During the session Member States will have the opportunity to share experiences of managing radiation emergencies and discuss the challenges of such events.

**Wednesday, 18 May 2011**

**12:30–14:15**

**Room XII**

---

#### **Addressing noncommunicable diseases: current status and moving forward**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

The technical briefing will provide Member States with an overview of the current status of the NCD epidemic, progress towards the United Nations General Assembly High-level Meeting and the outcomes from relevant regional and global events to date, including the Global Ministerial Conference. The event will also provide an opportunity for Member States to discuss the preparations and high-level participation in the HLM.

**Thursday, 19 May 2011**

**12:30–14:15**

**Room XII**

---

#### **Commission on Information and Accountability for Women's and Children's Health**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

Accountability is critical to the implementation of the Global Strategy for Women's and Children's Health - aimed at saving the lives of 16 million women and children. The Commission on Information and Accountability for Women's and Children's Health was established by WHO at the request of the United Nations Secretary-General to propose an accountability framework for reporting, oversight and accountability on women's and children's health. The briefing will provide an overview of the framework that will empower both donor and recipient countries to monitor resources and facilitate the gathering of the best evidence on the effectiveness of programmes in improving the lives of women and children.

**Friday, 20 May 2011**

**12:30–14:15**

**Room XII**

---

#### **Towards a successful implementation of the WHO Global Code of Practice on the International Recruitment of Health Personnel: challenges and opportunities**

*There will be interpretation in Arabic, Chinese, English, French, Russian and Spanish*

This Technical Briefing will discuss the implementation and monitoring the implementation of the WHO Global Code of Practice on the International Recruitment of Health Personnel ("the Code"). The briefing aims to provide Member States and other stakeholders with an opportunity to discuss and engage in a dialogue on challenges and opportunities associated with the Code implementation, monitoring and reporting. Presentations from selected countries and the WHO Secretariat will be made. This will be followed by a general discussion supported by resource persons from civil society and health care organizations. The Code itself as well as complementary documents to the Code shall be made available.
