

Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution

Report by the Secretariat

STATUS OF COLLECTION

1. In order that WHO may deliver the approved programme budget in full, contributions from Member States must be received in full and on time. All Member States are required under Financial Regulation 6.4 to pay their contribution as of 1 January of the year in which it is due.
2. The rate of collection for 2012 was 87%, as in 2011. Contributions for 2012 were received, either in full or in part, from 131 of the 196 Members and Associate Members (compared with 139 Members and Associate Members in 2011). Details of amounts assessed and collected are shown in Annex 1.
3. Unpaid 2012 contributions as at 31 December 2012 amounted to US\$ 65.2 million, with a further US\$ 39 million due under special arrangements authorized by the Health Assembly (compared with US\$ 69.3 million and US\$ 40.4 million, respectively, at 31 December 2011). Details of payments made in 2012 to date in respect of special arrangements are shown in Annex 2.

MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE

4. As at 31 December 2012, some Members had, either in full or in part, made advance payments against their regular budget contributions for 2013 and future years. In total, contributions received in advance as at 31 December 2012 amounted to US\$ 60.4 million (US\$ 70.3 million at 31 December 2011). Advance payments are detailed by Member State in Annex 3.

MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS

5. Article 7 of the Constitution states that "If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges ... to which a Member is entitled." If at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly takes a decision on suspension of the Member's voting privileges in accordance with resolution WHA41.7.

6. In accordance with previous Health Assembly resolutions, the voting privileges of the following five Member States continue to be suspended: Central African Republic, Comoros, Grenada, Guinea Bissau and Somalia. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Sixty-sixth and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

7. In accordance with resolution WHA65.11 if, by the time of the opening of the Sixty-sixth World Health Assembly, Bangladesh and Sudan are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall also be suspended as from the opening. Details of the amounts outstanding are provided in Annex 4. The suspension will then continue at the Sixty-seventh and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. As at 15 March 2013, 14 Member States, namely Antigua and Barbuda, Bosnia and Herzegovina, Cameroon, Côte d'Ivoire, Djibouti, Iran (Islamic Republic of), Jordan, Malawi, Marshall Islands, Niger, Sierra Leone, Swaziland, Tuvalu and Vanuatu are in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. Annex 4 also lists an Associate Member, Puerto Rico, who is behind with its assessed contributions.

9. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Sixty-sixth World Health Assembly may wish to adopt a resolution deciding that the voting privileges of Antigua and Barbuda, Bosnia and Herzegovina, Cameroon, Côte d'Ivoire, Djibouti, Iran (Islamic Republic of), Jordan, Malawi, Marshall Islands, Niger, Sierra Leone, Swaziland, Tuvalu and Vanuatu will be suspended as from the opening day of the Sixty-seventh World Health Assembly in May 2014, if at that time the Member States and Associate Member concerned are still in arrears to the extent that would justify invoking Article 7 of the Constitution.

10. Member States in arrears of payment to an extent that they are concerned by Article 7 of the Constitution are encouraged to submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements are considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly.

11. Annex 2 lists the Member States that currently have special arrangements for repayment of arrears. Payments totalling US\$ 1.5 million were received in 2012 (compared with US\$ 1.2 million in 2011) in accordance with these special arrangements. All the Member States concerned are respecting their commitments under these arrangements, with the exception of Afghanistan, Central African Republic, Kyrgyzstan and Tajikistan, with whom discussions on repayments are continuing. Of these four Member States, Central African Republic and Tajikistan have already had their voting privileges suspended. In the case of Afghanistan and Kyrgyzstan, unless further payments are made by the opening of the Sixty-sixth World Health Assembly, the two Member States will lose their voting privileges. Tajikistan has submitted a proposal to extend the period for repaying its arrears over the period 2013–2022.¹
