

# **Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution**

## **Report by the Secretariat**

### **STATUS OF COLLECTION**

1. In order that WHO may deliver the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member States are required to pay their contribution as of 1 January of the year to which it relates.

2. The rate of collection for 2014 was 86%, slightly improved from 85% for 2013. Contributions for 2014 were received, either in full or in part, from 142 of the 196 Members and Associate Members (compared with 127 Members and Associate Members in 2013).<sup>1</sup> Details of amounts assessed and collected are shown in Annex 1.

3. In line with Financial Regulation 6.6, as amended by resolution WHA66.16, the contributions of all Member States for whom the total annual assessment was US\$ 200 000 or greater, were assessed half in United States dollars and half in Swiss francs calculated at the time of the approval of the programme budget in May 2013. The total assessment in 2014 amounted to US\$ 242 million and Sw.fr. 222 million.

4. Unpaid contributions as at 31 December 2014 amounted to US\$ 37.3 million and Sw.fr. 30.4 million (constituting a combined total of US\$ 68.1 million) with a further US\$ 36.8 million due under special arrangements authorized by the Health Assembly (compared with US\$ 76.4 million and US\$ 38.0 million, respectively, at 31 December 2013). Details of payments made to date in respect of special arrangements are shown in Annex 2.

### **MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE**

5. As at 31 December 2014, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2015 and future years. In total, contributions received in

advance as at 31 December 2014 amounted to US\$ 46.4 million (US\$ 57.1 million at 31 December 2013). Advance payments by Member States are detailed in Annex 3.

## **MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS**

6. Article 7 of the Constitution states that “If a Member fails to meet its financial obligations to the Organization ... the Health Assembly may ... suspend the voting privileges ... to which a Member is entitled.” If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly takes a decision on suspension of the Member’s voting privileges in accordance with resolution WHA41.7.

7. In accordance with previous Health Assembly resolutions, the voting privileges of the following five Member States continue to be suspended: Central African Republic, Comoros, Guinea-Bissau, Somalia and Ukraine. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Sixty-eighth and subsequent World Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. In accordance with resolution WHA67.5 if, by the time of the opening of the Sixty-eighth World Health Assembly, South Sudan is still in arrears in the payment of its contribution to an extent that would justify invoking Article 7 of the Constitution, its voting privileges shall also be suspended as from the opening. Details of the amounts outstanding are provided in Annex 4. The suspension will then continue at the Sixty-ninth and subsequent World Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

9. Annex 2 lists the 11 Member States that currently have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments totalling US\$ 1.1 million were received in 2014 (compared with US\$ 1.0 million in 2013) in accordance with these special arrangements. Six of the Member States concerned are respecting their commitments under these arrangements. Five Member States, Afghanistan, Central African Republic, Iraq, Kyrgyzstan and Ukraine, are not respecting their commitments. Of those five Member States, Central African Republic and Ukraine have already had their voting privileges suspended. In the cases of Afghanistan, Iraq and Kyrgyzstan, unless further payments are made by the opening of the Sixty-eighth World Health Assembly, the three Member States will lose their voting privileges.

10. As at 16 March 2015, 17 Member States, namely Bangladesh, Barbados, Cabo Verde, Cameroon, Guinea, Haiti, Islamic Republic of Iran, Marshall Islands, Montenegro, Namibia, Nauru, Niue, Saint Lucia, the former Yugoslav Republic of Macedonia, Timor-Leste, Vanuatu and Yemen were in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, is also behind with its assessed contributions.

11. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Sixty-eighth World Health Assembly may wish to adopt a resolution deciding that the voting privileges of the 17 Member States mentioned in paragraph 10 will be suspended as from the opening day of the Sixty-ninth World Health Assembly in May 2016, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

12. Member States in arrears of payment to the extent referred to above are encouraged to submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements are considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. No new proposals have been submitted for consideration in 2015.

## **ACTION BY THE HEALTH ASSEMBLY**

13. No action is required by the Health Assembly in respect of those Members whose voting privileges have already been suspended under previous Health Assembly resolutions.

14. The Health Assembly may wish to consider the following draft resolution in respect of Bangladesh, Barbados, Cabo Verde, Cameroon, Guinea, Haiti, Islamic Republic of Iran, Marshall Islands, Montenegro, Namibia, Nauru, Niue, Saint Lucia, the former Yugoslav Republic of Macedonia, Timor-Leste, Vanuatu and Yemen, in accordance with the principles stated in resolution WHA41.7:

The Sixty-eighth World Health Assembly,

Having considered the report on status of collection of assessed contributions, including Members in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, and special arrangements for settlement of arrears;<sup>1</sup>

Noting that, at the time of opening of the Sixty-eighth World Health Assembly, the voting rights of Central African Republic, Comoros, Guinea-Bissau, Somalia and Ukraine were suspended, such suspension to continue until its arrears have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

Noting that, the voting rights of South Sudan were suspended during the Sixty-seventh World Health Assembly, effective from the opening of the Sixty-eighth World Health Assembly and to continue until the arrears of the Member concerned have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

Noting that Afghanistan, Bangladesh, Barbados, Cabo Verde, Cameroon, Guinea, Haiti, Islamic Republic of Iran, Iraq, Kyrgyzstan, Marshall Islands, Montenegro, Namibia, Nauru, Niue, Saint Lucia, the former Yugoslav Republic of Macedonia, Timor-Leste, Vanuatu and Yemen were in arrears at the time of the opening of the Sixty-eighth World Health Assembly to such an extent that it was necessary for the Health Assembly to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended – for Afghanistan, Iraq and Kyrgyzstan at the opening of the Sixty-eighth World Health Assembly, and for the remaining 17 Member States at the opening of the Sixty-ninth World Health Assembly,

---

<sup>1</sup> Document A68/39.

DECIDES:

(1) that in accordance with the statement of principles set out in resolution WHA41.7 if, by the time of the opening of the Sixty-ninth World Health Assembly, Bangladesh, Barbados, Cabo Verde, Cameroon, Guinea, Haiti, Islamic Republic of Iran, Marshall Islands, Montenegro, Namibia, Nauru, Niue, Saint Lucia, the former Yugoslav Republic of Macedonia, Timor-Leste, Vanuatu and Yemen are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening; and in accordance with resolutions WHA59.6, WHA58.9, WHA61.8 if, by the time of the opening of the Sixty-eighth World Health Assembly, Afghanistan, Iraq and Kyrgyzstan, respectively, are still in arrears in the payment of their rescheduled assessments, their voting privileges shall be suspended automatically;

(2) that any suspension that takes effect as set out in paragraph (1) above shall continue at the Sixty-ninth World Health Assembly and subsequent Health Assemblies, until the arrears of Afghanistan, Bangladesh, Barbados, Cabo Verde, Cameroon, Guinea, Haiti, Islamic Republic of Iran, Iraq, Kyrgyzstan, Marshall Islands, Montenegro, Namibia, Nauru, Niue, Saint Lucia, the former Yugoslav Republic of Macedonia, Timor-Leste, Vanuatu and Yemen have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;

(3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
