Maternal, infant and young child nutrition

(1) to streamline future reporting requirements on maternal, infant and young child nutrition, through biennial reports to the Health Assembly, through the Executive Board, until 2030 (to be issued in 2022, 2024, 2026, 2028 and 2030, respectively);

(2) to review current evidence and prepare a comprehensive report to understand the scope and impact of digital marketing strategies for the promotion of breast-milk substitutes to the Seventy-fifth World Health Assembly in 2022, through the Executive Board.
