

## **Implementation of the International Health Regulations (2005)**

The Seventy-fourth World Health Assembly, having considered the report by the Director-General,<sup>1</sup>

Decided to endorse the continuation of the management of the public health emergency of international concern through temporary recommendations issued by the Director-General under the International Health Regulations (2005), on the advice of the IHR Emergency Committee for COVID-19, in connection with the public health emergency of international concern arising from the international spread of SARS-CoV-2.

Seventh plenary meeting, 31 May 2021
