5. Arrangement for the conduct of discussion in meetings

Member States, Associate Members, Observers, invited representatives of the United Nations and of other participating intergovernmental organizations will be provided with the opportunity to take the floor under agenda item 3 Address by Dr Tedros Adhanom Ghebreyesus, Director-General.

Verbal statements

Member State delegations are asked to observe the time limit for verbal statements during the virtual sessions: individual statements by Member States and Associate Members be limited to three minutes (330 words), except for statements provided under items 17 Public health emergencies: preparedness and response and 18 Mental health preparedness for and response to the COVID-19 pandemic. In relation to the (3) statements provided under those two items, four minutes (440 words) will be allotted for statements by Member States and Associate Members. Regional and group statements will be limited to four minutes (440 words). Delegations providing group statements are discouraged from taking the floor subsequently to provide a national statement. In addition, delegations on whose behalf a group statement is provided, are discouraged from subsequently taking the floor except to provide any brief additional comments that were not covered by the group statement.

Statements by Observers, invited representatives of invited United Nations and other participating intergovernmental organizations will be limited to two minutes (220 words) and statements by non-State actors in official relations with the Organization will be limited to one minute. On selected agenda items,

a limited number of non-State actor constituencies will deliver “constituency statements” limited to three minutes.

To ensure that statements are interpreted as clearly as possible, delegates are requested to submit a copy of their statements at least **one hour** in advance by email to interpret@who.int , to close windows to reduce background noise and to use high quality headsets with echo cancelling microphones.

Written statements

Member States and Associate Members are invited to submit written statements for posting on the website in the language of submission in accordance with the guidelines for written statements in decision EB146(17).

Observers, invited representatives of the United Nations and of other participating and intergovernmental organizations are also invited to submit written statements in accordance with those guidelines. Non-State actors are invited to submit written statements as per the practical information for representatives of non-State actors in official relations with WHO.

In accordance with the guidelines, statements may be provided in any of the six WHO official languages and should be limited to 500 words for individual statements and 800 words for group statements. They should be submitted to statements@who.int, clearly indicating the relevant agenda item or sub-item in the subject line.

Video statements

Member States and Associate Members may submit a pre-recorded video statement in place of live interventions. Video statements should be received by Wednesday 19 May (COB) and may be uploaded at the following link: <https://bit.ly/31VHUFp>. The following time limits will apply: Member States and Associate Members - three minutes and Group statements - four minutes. When uploading each video, please indicate clearly the relevant agenda item or sub-item in the description field. Videos received after the deadline, exceeding the time limits or labelled in such a way that the relevant agenda item or sub-item cannot be identified, may not be played. Video statements may be included in the live streaming and therefore will be included in the official records.

6. Announcements

Virtual Meeting Platform for WHA74

The Zoom platform will be used for virtual sessions of WHA74. In order to ensure good sound quality on the virtual platform, please ensure that when taking the floor to deliver a statement, you select the language on the interpretation channel in which you are planning to speak and use high-quality headsets with echo cancelling microphones and webcam. We recommend that you use a personal computer, rather than a smartphone or tablet, and download the latest version of the Zoom software. Please deliver your statement at a moderate speed that allows for its interpretation and ensures your message is conveyed clearly and accurately.

Support

For support related to the virtual platform, please send an email to GBS-IT-Support@who.int.

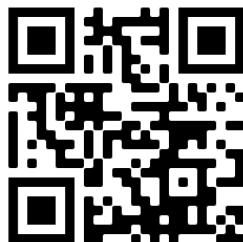

Video streaming

The Plenary sessions will be webcast in the six UN languages. The webcasts can be viewed on Mac and PCs, as well as all mobile devices including iPhone, iPad, Android and Windows-enabled phones.
