WHO global strategy for food safety

The Seventy-fifth World Health Assembly, having considered the consolidated report by the Director-General,1

Decided:

(1) to adopt the updated WHO global strategy for food safety;

(2) to call on Member States to develop national implementation road maps or reflect actions to implement the strategy within existing food safety policies and programmes and to make appropriate financial resources available to support such work;

(3) to request the Director-General to report on progress in the implementation of the updated WHO global strategy for food safety to the Seventy-seventh World Health Assembly in 2024 and thereafter every two years until 2030.
