

Special arrangements for settlement of arrears

Republic of the Sudan

Report by the Director-General

1. In accordance with Article 7 of the Constitution and resolutions WHA8.13 (1955) and WHA41.7 (1988), Member States that have been in arrears for more than two years at the time of the Health Assembly are subject to a resolution of the Health Assembly to the effect that their voting privileges will be suspended as from the opening of the next Health Assembly unless the arrears have been reduced to a level below the amount that would justify invoking Article 7.
2. In accordance with resolution WHA54.6 (2001), Member States with arrears of assessed contributions payable to the Organization to an extent that would justify invoking the provisions of Article 7 may request these arrears to be rescheduled over an extended period.
3. In return for a commitment to pay such arrears over an agreed extended period, voting rights of the Member States concerned can be restored, on condition that the Member States respect the payment schedule in addition to making full payment of the annual assessments which arise over the extended period.
4. Pursuant to resolution WHA54.6, any such request should be received no later than 31 March. The Director-General would review such requests with the Member States concerned and submit proposals to reschedule payment of arrears to the Administration, Budget and Finance Committee of the Executive Board¹ at its meeting immediately before the Health Assembly, with a view to the Committee making appropriate recommendations to the Health Assembly for consideration.
5. The Republic of the Sudan submitted a request on rescheduling of payment of its arrears over an extended period on 20 May 2022, requesting that this proposal be considered notwithstanding the above-mentioned deadline and procedure.

¹ Since 2005, the Programme, Budget and Administration Committee of the Executive Board.
