3. The Committee assessed whether the credentials delivered to the Director-General were in conformity with the requirements of Rule 23 of the Rules of Procedure of the World Health Assembly. It noted that the Secretariat had found these credentials to be in conformity with the Rules of Procedure.

4. The credentials of the delegates of the Member States shown in the Annex were found to be in conformity with the Rules of Procedure. The Committee therefore proposes that the Health Assembly recognize their validity.

5. The Committee noted that the Secretariat had received two sets of documents from two different delegations, each asserting that it represents the Government of Myanmar at the Seventy-fifth World Health Assembly. Both delegations submitted documents in support of their registration for the Health Assembly. One set of documents was submitted on behalf of the Minister of Health of the State Administration Council. Another set of documents was submitted on behalf of the Minister of Health of the National Unity Government.

6. The Committee – noting its reports to the Seventy-fourth World Health Assembly and Second special session of the World Health Assembly, United Nations General Assembly resolution 396(V) of 14 December 1950, the report of the Credentials Committee to the seventy-sixth session of the United Nations General Assembly, document A/76/550, and United Nations General Assembly resolution 76/15 of 6 December 2021 – acknowledged that the question of the representation of Myanmar is still pending before the United Nations General Assembly. The Committee therefore decided to recommend to the Health Assembly that it defer a decision on the question of the representation of Myanmar, pending guidance from the United Nations General Assembly, on the understanding that no one would represent Myanmar at the Seventy-fifth World Health Assembly.
