### **Pillar 1: One billion more people benefiting from universal health coverage**

14. Review of and update on matters considered by the Executive Board

14.2 The global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections

One resolution as amended.

## Agenda item 14.2

### **The global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections**

The Seventy-fifth World Health Assembly,

Having considered the consolidated report by the Director-General,<sup>1</sup>

1. NOTES WITH APPRECIATION the global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections, for the period 2022–2030;
2. REAFFIRMS that in implementing the global health sector strategies on, respectively, HIV, viral hepatitis and sexually transmitted infections, for the period 2022–2030, the national context should be considered;
3. REQUESTS the Director-General to report on the progress made in the implementation of the global health sector strategies to the Health Assembly in 2024, 2026, 2028 and 2031, noting that the 2026 report will provide a mid-term review based on the progress made in meeting the strategies' 2025 targets and the progress made towards achieving the 2030 goals.
