

Social determinants of health

The Seventy-sixth World Health Assembly, having considered the consolidated report by the Director-General and its addendum on social determinants of health,¹

Decided:

- (1) to note the operational framework for monitoring social determinants of health equity;
- (2) to request the Director-General to submit the updated report on social determinants of health, their impact on health and health equity, progress made so far in addressing them and recommendations for further action, to the Seventy-seventh World Health Assembly in 2024, through the Executive Board at its 154th session.
