

## **Guide for delegates to the World Health Assembly**

### **DATE AND PLACE OF THE HEALTH ASSEMBLY**

The Seventy-sixth World Health Assembly will open in Geneva on Sunday, 21 May 2023, at 14:00; it will close no later than Tuesday, 30 May 2023. The Health Assembly will be held in the Palais des Nations, located near Place des Nations and Avenue de la Paix, and is most easily reached by the entrance gate on Route de Pregny.

### **REGISTRATION PROCESS**

Registration through the online registration system (INDICO) is required for the Health Assembly. **For security reasons, all delegates are required to wear photo ID badges in order to access the meeting rooms.**

Instructions for online registration have been communicated in the convocation letter.

Queries concerning the system can be addressed by email to [GBS-INDICO@who.int](mailto:GBS-INDICO@who.int). Registration should be completed by 8 May 2023.

### **CREDENTIALS**

The credentials shall be issued by the Head of State, the Head of Government, the Minister for Foreign Affairs, the Minister of Health, or any other appropriate authority, that is, Permanent Missions to the United Nations and senior government officials, such as Directors-General for Health. Member States and Associate Members will be represented at the Health Assembly by not more than three delegates. Alternates and advisers may accompany delegates. A copy of the credentials will have to be uploaded and submitted through INDICO **before the opening of the Health Assembly**. Credentials should include the following information for each participant: LAST NAME (in capital letters), first name, title, function, institution, city, gender (unless indicated in the title).

### **ARRIVAL IN GENEVA**

Delegates, representatives or other participants travelling by air will arrive at Geneva airport (Cointrin) and those travelling by train at Geneva main station (Cornavin). Hotel reservations and other arrangements should be made well in advance. Taxis are available directly outside the airport and station.

## VISAS

Attention is drawn to the strict provisions in force regarding entry into Switzerland: the Swiss authorities refuse entry to people who do not have the required entry visa. Since 12 December 2008, Switzerland has applied the Schengen Agreement regulations concerning visas. As a result, participants requiring a visa to enter Switzerland must obtain a Schengen visa from the Swiss embassy or Consulate General responsible for handling their visa application in their country of residence. In countries where there is no Swiss representation, the visa application may have to be lodged in another country where the competent representation is located. Please note that Switzerland has also signed agreements with certain countries where it is not represented by a diplomatic or consular entity. Under certain conditions these agreements allow for the issuing of visas by a Schengen State in a country where Switzerland is not represented. It is therefore strongly recommended that all participants check directly with the Swiss Embassy or Consulate General whether such agreements apply in their case. Participants can find the nearest Swiss Embassy or Consulate General responsible for their place of residence by consulting <https://www.eda.admin.ch/eda/en/home/laender-reise-information.html>.

Delivery of a Schengen visa may take up to 20 days, so any visa application should be lodged well in advance of the expected date of travel. It is recommended that participants apply for a Schengen Type C visa, which entitles the holder to visit or transit through other Schengen States, including neighbouring France. Exceptional cases may arise when this type of visa does not allow entry to all Schengen States. Participants are therefore strongly advised to check their type of visa before travelling to, or transiting through, other Schengen States.

**Member States requiring the assistance of the Secretariat to obtain a Swiss Schengen visa are kindly invited to request assistance when they register for the Health Assembly INDICO.**

## ACCESS TO THE PALAIS DES NATIONS FOR THE HEALTH ASSEMBLY

Members of delegations should register through INDICO in order to collect their badges at WHO headquarters, which allow access to the Palais des Nations.

The Health Assembly will meet in the Assembly block of the Palais des Nations. The Assembly block is conveniently reached by Door 40. The plenary meetings will be held in room XIX, which can be reached by stairway or lift from Door 40. The two main committees of the Health Assembly will meet in separate conference rooms: Committee A in Conference Room XX and Committee B in Conference Room XVII, respectively located on the third and first floor of the E building (Bâtiment E). **Smoking is not allowed at the Health Assembly.**

## ACCESS BADGES

Delegates and other participants will be able to collect their badges from the Distribution Desk in the main lobby of WHO headquarters before the opening of the Health Assembly. The Distribution Desk will be open at the following times:

- Wednesday, 17 May, from 14:00 to 17:00
- Thursday, 18 May to Monday, 29 May, from 08:00 to 17:00
- Tuesday, 30 May, from 08:00 to the closure of the Seventy-sixth World Health Assembly.

**Please note that only those individuals whose names appear on a valid credential and who have registered through INDICO will be issued with an access badge. Within the context of the Health Assembly, access to the Palais des Nations and the meeting rooms will be restricted to persons wearing WHA76 badges. For security reasons, the access badge must be worn and visible to United Nations Office at Geneva security staff at all times.**

**Delegations from Observers, organizations of the United Nations system, other intergovernmental organizations and non-State actors in official relations with WHO will be restricted to a maximum of six badges each.**

**Please note that due to limited space in the meeting rooms, the following limitations will apply in each of the main rooms where official meetings of the Health Assembly are convened:**

- up to two members of each delegation of Member States and Associate Members may be present at a time; and**
- only one member of each delegation of Observers and organizations of the United Nations system and other intergovernmental organizations may be present at a time.**

**Delegates from non-State actors in official relations with WHO will be assigned seating in the galleries or wings of the main meeting rooms.**

## **ENQUIRY OFFICE**

The Enquiry Office is located in the Door 40 lobby, situated on the second floor of the E building (ext. 86100). It provides guidance on a range of matters of interest to participants, and will direct them to other services such as travel, mail, finance and communications. Personal mail can also be collected there. Lost property may be handed in or claimed at this office.

## **LIST OF DELEGATES**

A provisional list of delegates and other participants (document A76/DIV./1) will be available only on the WHO website ([http://apps.who.int/gb/e/e\\_wha76.html](http://apps.who.int/gb/e/e_wha76.html)) at the beginning of the Health Assembly (paper copies will not be distributed). This list will be issued on the basis of the credentials received by the Secretariat up to 16:00 on Saturday, 20 May 2023. A revised list will be posted on the WHO website later. In the event of any official change in delegation membership, delegations are kindly requested to make the necessary changes through INDICO.

## **ARRANGEMENTS FOR CONDUCT OF DISCUSSION IN PLENARY MEETINGS**

Individual statements in plenary meetings are limited to 3 minutes (330 words) and regional statements to 4 minutes (440 words). Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation. Timing will be regulated through the use of “traffic lights”, visible to the whole room. For individual statements, the lights turn orange after 2 minutes and red after 3 minutes; for regional statements, the lights turn orange after 3 minutes and red after 4 minutes. Statements should focus on the theme of “WHO at 75: Saving lives, driving health for all”.

Delegates wishing to have their names placed on the list of speakers for the general discussion should complete the online form available at <https://extranet.who.int/dataformv3/index.php/948833>. Delegates may opt for group or regional statements in lieu of individual statements.

Copies of statements to be made in the general discussion should be submitted to the Office of the Assistant to the Secretary of the Health Assembly, by email ([interpret@who.int](mailto:interpret@who.int)), or handed in to room E-3025B, or in room XIX, where the plenary meetings are held, by the morning of Sunday, 21 May 2023. When submitting by email, please specify in the “Subject” and at the top of the statement the name of the country and the meeting: “General Discussion”.

## INTERVENTIONS OF DELEGATES IN COMMITTEE A AND COMMITTEE B

Individual statements in Committees A and B are limited to 3 minutes (330 words) and regional statements to 5 minutes (550 words). For non-State actors, individual statements are limited to 1 minute and constituency statements to 3 minutes. Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation.

Delegates wishing to have their names placed on the list of speakers in Committee A or Committee B, or to have draft resolutions and draft decisions distributed, should contact the Secretary of the Committee concerned (shown below).

Committee A:	Secretary:	Mr I. Roberts	office E.3056/3058, ext. 86122
Committee B:	Secretary:	Mrs I. Milovanovic	office E.1014/1018 ext. 86123

## INTERPRETATION AND STATEMENTS

Interpretation is provided in the official languages (Arabic, Chinese, English, French, Russian and Spanish) to help delegates to follow the discussions. Delegates are requested to send a copy of statements they plan to make to [interpret@who.int](mailto:interpret@who.int) or to give a paper copy to the conference officers in the room **at least 30 minutes in advance**. This does not prevent delegates from making changes on delivery but will facilitate clarity and accuracy in all languages. When submitting by email, please specify in the “Subject” and at the top of the statement the name of the country or group; the meeting (for example, Plenary, Committee A, Committee B); and the relevant agenda item number. Delegates are requested to deliver statements at a normal speaking pace. Rapid delivery risks impeding clarity and accuracy in interpretation. Statements provided in advance are treated as confidential and checked against delivery for the purpose of the official record.

Delegates wishing to have their statements posted on the Health Assembly webpage ([https://apps.who.int/gb/e/e\\_wha76.html](https://apps.who.int/gb/e/e_wha76.html)) or to share a longer statement containing additional information may send it to [statements@who.int](mailto:statements@who.int).

Non-State actors in official relations with WHO wishing to make a statement at Committee A or B should register on the non-State actors statements website (<https://extranet.who.int/nonstateactorsstatements/>) and upload their statement. If there are any questions on statements, contact [nsastatements@who.int](mailto:nsastatements@who.int).

## **SUBMISSION OF DRAFT RESOLUTIONS AND DRAFT DECISIONS BY DELEGATIONS**

Delegations wishing to have draft resolutions and draft decisions distributed to the Health Assembly are invited to introduce their draft at least 15 days before the opening of the Health Assembly and, in any event, not later than the first day of the Health Assembly in accordance with Rule 49 of the Rules of Procedure of the World Health Assembly.

Delegations are requested to hand their proposals to the Assistant to the Secretary of the Health Assembly in the case of documents intended for plenary meetings, or to the secretary of the committee concerned in the case of documents intended for one of the committees. Draft resolutions and draft decisions may also be sent by email to [governanceunit@who.int](mailto:governanceunit@who.int).

Rule 50 of the Rules of Procedure of the World Health Assembly requires circulation of proposals to delegations at least two days before the proposal is discussed. Thus, texts should be handed in early enough to allow time for translation and reproduction in the working languages. The Secretariat is available upon request to provide information, logistics and editorial support as required. The conditions in which formal proposals relating to items on the agenda may be introduced in plenary meetings and the main committees are set out in Rules 49 and 50 of the Rules of Procedure of the World Health Assembly.

## **DELEGATES' CONSENT TO BE PHOTOGRAPHED/FILMED**

Representatives of Member States and Associate Members, including their alternates and advisers, as well as any other participants in sessions of the World Health Assembly/Executive Board acknowledge that the Secretariat and parties acting for the Secretariat may take photographs during and/or video all or part of public meetings of the World Health Assembly/Executive Board. By attending the World Health Assembly/Executive Board, representatives of Member States and Associate Members, including their alternates and advisers, as well as any other participants, are held to have consented to being depicted in such photographs and videotapes, and to agree that WHO may, at its sole discretion, reproduce and publicly disseminate any of these photographs and/or any such video footage on its website and/or in other materials and through other outlets, and/or authorize third parties to do the same.

## **DOCUMENTATION**

### **Meeting information**

The *Journal* of the Health Assembly, published each day, gives the time, place and programme of meetings, the agenda items for discussion and the corresponding documents, and other relevant information.

Several documents already considered by the Executive Board at its 151st and 152nd sessions are referred to under the relevant items in both the *Journal* and the provisional agenda (document A76/1 Rev.1).

## **Basic documents**

The Constitution of the World Health Organization and other relevant documents of a legal nature are contained in the publication entitled *Basic documents* (49th edition, 2020), an updated, online version of which is also available on the WHO website ([https://apps.who.int/gb/bd/pdf\\_files/BD\\_49th-en.pdf](https://apps.who.int/gb/bd/pdf_files/BD_49th-en.pdf)).

## **Internet access**

The WHO website (Governance page (<http://apps.who.int/gb/gov/>)) provides easy electronic access to documentation, such as the Rules of Procedure of the World Health Assembly, and offers options to download documents for the current sessions of the governing bodies and to consult documents of previous sessions and other relevant documentation.

Since documentation is available on the WHO website, and as an economy measure, there will be no provision for dispatch or transport of any documentation made available during the Health Assembly.

Documentation may also be downloaded using the QR codes displayed at the document distribution counter, the Distribution Desk for badges, the entrance to the Assembly Hall and inside the committee conference rooms.

## **DOCUMENTS**

As agreed by the Executive Board at its 143rd session in May 2018, governing body meetings will be paperless unless documents are ordered in advance. For delegations that have requested hard copies, one set of documents will be available for collection at the document distribution counter in Door 40 Hall, located on the second floor of the E building, Palais des Nations. Relevant documentation for the session can be accessed at [https://apps.who.int/gb/e/e\\_wha76.html](https://apps.who.int/gb/e/e_wha76.html).

## **NON-STATE ACTORS IN OFFICIAL RELATIONS WITH WHO: LIAISON OFFICE**

Non-State actors in official relations with WHO may participate, without right of vote, in the open meetings of the Health Assembly. A liaison office is set up in room E.3025C (ext. 86125) to facilitate such participation. The document *Practical information for representatives of non-State actors in official relations with the World Health Organization*, transmitted to non-State actors with the invitation letter to the Health Assembly, provides information of particular relevance to delegates of non-State actors, concerning such matters as registration, document display and statements by non-State actors.

Seating for non-State actors in the plenary meetings has been reserved in the galleries on the fourth floor, which may be reached by using the lifts close to Door 40. For Committees A and B, seating has been reserved in the wings of the rooms. Each Committee has a “speaker” seat for those non-State actors whose requests to speak have been accepted by the Chair.

## **CONDUCT**

Delegates are expected to abide by WHO’s standards of conduct and to remain mindful that the requirements to prevent harassment and sexual misconduct, including sexual harassment, at WHO events apply. Kindly refer to the Code of conduct to prevent harassment, including sexual harassment,

at WHO events<sup>1</sup> and the WHO policy on preventing and addressing sexual misconduct.<sup>2</sup> Any related concerns should be raised by writing to [investigation@who.int](mailto:investigation@who.int) or through the WHO integrity hotline (<https://www.who.int/about/ethics/integrity-hotline>). WHO has zero tolerance for any form of sexual misconduct and for inaction against it.

## SHUTTLE BUS SERVICE

A shuttle service will be available for delegates to move between WHO headquarters main entrance and the Palais. The shuttle will run from 07:00 to 18:00 daily and may be used by delegates of Member States and Associate Members wearing badges.

In addition, delegates may obtain a “Geneva Transport Card” from the hotel at which they are staying, enabling them to use public transport free of charge during their visit. Further information about this card is available from the Geneva Tourism and Convention Bureau (accessible at <http://www.geneva.info/transport/card> or <https://www.geneve.com/en/already-here>).

## **PERSONAL SECURITY**

Geneva can generally be regarded as a safe city with a low rate of violent crime. However, pickpocketing and snatching of handbags or mobile phones do occur in the vicinity of, or within, the train and bus stations, the airport and in public parks.

Delegates are advised to take the following precautions when moving around the city:

- stay alert – supervise luggage and briefcases carefully;
- avoid walking alone at night – keep to well-lit areas;
- be aware of individuals posing as police – always ask for proper identification before surrendering passports or complying with any requests;
- be particularly vigilant at the airport, train station and when checking into a hotel;
- never leave anything on car seats: doing so attracts the attention of thieves;
- never leave valuables in a parked car.

Geneva emergency telephone numbers are:

- police 117
- ambulance service 144
- fire 118
- roadside assistance 140.

If participants face a security-related emergency at WHO headquarters, they are requested to contact WHO security by phone at ext. 11117 (+41 22 791 1117) or by email at security@who.int.

Security screening has increased for both vehicles and pedestrians seeking access to the Palais des Nations. Participants should ensure that they are in possession of the necessary accreditation in order to facilitate access.

WHO cannot be held responsible for the loss of personal objects left unattended at meetings.
