

Appointment of representatives to the WHO Staff Pension Committee

Report by the Director-General

1. In conformity with the Regulations of the United Nations Joint Staff Pension Fund, and in accordance with resolution WHA2.49 (1949), WHO has a Staff Pension Committee composed of nine members (and nine alternate members). One third of the members and alternates are appointed by the Health Assembly, one third by the Director-General, and one third are elected by the participants of the Fund. The term of office is three years and, in order to maintain continuity, arrangements have been made to renew only one third of the membership appointed by the Health Assembly at a time. The principle of equitable representation across the six WHO regions on the WHO Staff Pension Committee has been respected by previous Health Assemblies.
