
Geneva, 12–14 November 2025

A/MSM/14/1

7 October 2025

Provisional agenda

- 1. Opening of the meeting and adoption of the agenda**
- 2. Update by the Secretariat on the activities and budget to implement the workplan of the Member State mechanism**
- 3. Updates on the WHO Global Surveillance and Monitoring System for substandard and falsified medical products**
- 4. Updates on the prioritized activities for 2024–2025, including the strategic plan**
 - (A) Strengthen the capacity of national/regional regulatory authorities for the prevention and detection of, and response to, substandard and falsified medical products
 - (B) Develop, expand and maintain global networks of stakeholders to facilitate cooperation and collaboration
 - (C) Improve Member States' understanding and uptake of technologies to screen and detect substandard and falsified medical products
 - (D) Leverage the competencies of relevant stakeholders, including policy-makers, procurers, distributors, practitioners, patients and consumers, and good governance to reduce the burden of substandard and falsified medical products
 - (E) Enhance Member States' capacities to develop and utilize effective risk communication strategies, with the aim of expanding awareness of substandard and falsified medical products
 - (F) Strengthening the supply chain of high-risk excipients and related raw materials
 - (G) Identify and develop appropriate strategies to understand and address the distribution or supply of substandard and falsified medical products via the internet
 - (H) Develop strategies for national regulatory authorities to mitigate public health risks posed by the distribution of substandard and falsified medical products through informal markets
 - (I) Identification of and response to emerging issues on substandard and falsified medical products
 - (J) Improve Member States' implementation of national traceability systems

-
