

THE UNITED REPUBLIC OF TANZANIA

77TH WORLD HEALTH ASSEMBLY

TANZANIA STATEMENT ON AGENDA ITEM

15.3 Well-being and Health Promotion

1. **Chairperson;** United Republic of Tanzania aligns with statement presented by Republic of Angola on behalf of African Region Group which also take note and commends the Director-General report on the Agenda Item.
2. **Chairperson;** United Republic of Tanzania agrees with the aspiration that: sport events are the gateway towards strengthening health and well-being of individuals at all levels; and that it will ultimately contribute to reducing the global burden of non- communicable diseases that accounts for 74% of all global deaths.
3. **Chairperson;** United Republic of Tanzania, has made remarkable efforts in implementing the recommended actions both at national and subnational levels. In collaboration with WHO and other partners, Tanzania has been promoting and sensitizing sport events and physical activities to individuals including employees as one of the groups mostly exposed to sedentary nature of work.
4. **Chairperson;** Tanzania is implementing an Integrated and Coordinated Community Health Workers Programme to increase access to health promotion, prevention services and well-being at the community level.
5. **Chairperson;** Tanzania is committed to collaborate with WHO and other stakeholders in health sector to implement the recommendations highlighted in the Global Framework on Well-being and health promotion.

Thank you.
