

Decision 11: Designation of representatives of the African Region at the global Health/2000 Resources Group

The Regional Committee, recognizing the importance of participation by representatives of the Region in meetings of the global-level Health Resources Group, designated Angola and Mali to represent the Region at the next meeting of the above-mentioned Group, in accordance with the recommendations of ARG/2000 (sub-paragraph 10.2 of document AFR/RC32/16).
