EXPANDED PROGRAMME OF TECHNICAL ASSISTANCE IN 1953

Draft resolution proposed by the Rapporteur

The Sixth World Health Assembly

Having examined the report and the resolution of the Executive Board¹ and the report of the Director-General concerning WHO participation in the United Nations Expanded Programme of Technical Assistance;

Having noted that the Economic and Social Council, in its resolution 433A(XIV) has amended its basic resolution on Technical Assistance (No. 222 (IX));

Considering that an objective study of the administration of the programme is being undertaken by the Technical Assistance Board for report to the Technical Assistance Committee at its July 1953 meeting;

1. REQUESTS the Director-General to report fully to the Executive Board at its thirteenth session on the developments resulting from such study, as well as on other developments in the programme;
2. DECIDES to defer to the Seventh World Health Assembly consideration of the amendments in resolution 433A (XIV) of the Economic and Social Council when the results of the objective study will be known, and the report of the Executive Board thereon will be available;
3. APPROVES the arrangements made by the Executive Board and the Director-General in so arranging for the use of all resources available to WHO in 1953 as to produce as little disruption of the planned programme as possible;

¹ O.R. 46

4. EXPRESSES its appreciation to UNICEF for its co-operation in assisting to solve the financial problem in 1953;
5. EXPRESSES the hope that longer term arrangements for financing future programmes will be made, thereby ensuring firm planning and arrangements in good time.
