

### **Decision 5: Jacques Parisot Foundation selection of candidates for fellowship**

The Regional Committee, having the Member States' proposals concerning the award of the fourth Jacques Parisot Foundation Fellowship, approved the procedure adopted by the Regional Director, who had transmitted the following three candidatures and the subjects chosen to the African advisory Committee on Medical Research (AACMR) to obtain its recommendations:

- (i) Yayehyirad Kitaw : “The use of self-(lay) care in the achievement of Health for All by the Year 2000”;
- (ii) Brehima Koumaré : “An epidemiological and bacteriological study of meningitis in and around Bamako”;
- (iii) H.S.M. Ushewokunze : “Traditional healers an their healing methods”;

and invited the Regional Director to transmit the candidatures an recommendations of the AACMR to the Secretary of the Jacques Parisot Foundation Committee by 30 October 1981.
