VACCINE STUDIES

Draft Resolution submitted by the delegations of
Chile and Yugoslavia

The Ninth World Health Assembly,

Having noted the Report of the Director-General on communicable diseases control and in particular the studies made in the evaluation of vaccines and their further development,

REQUESTS the Director-General to submit to the Tenth World Health Assembly

- (1) a report on the progress in the evaluation and production of vaccines; and
- (2) a programme for further development in this field in 1958 and subsequent years.
