

The Regional Committee,

Having considered the progress report of the Regional Director on "Promotion of Healthy Life-Styles"<sup>1</sup>;

Recalling resolution EM/RC36/R.7 on healthy life-styles in the Eastern Mediterranean Region;

1. **URGES** Member States to continue giving priority to the promotion of healthy life-styles, utilizing various means of public information and health education and making use of the Amman Declaration on Health Promotion;
2. **CALLS UPON** Member States to combat unhealthy life-styles, such as smoking and other risk-taking practices through appropriate health education and legislation.
