Sixth Session

1950 APPROPRIATION RESOLUTION

Transfers between sections and
between chapters within sections

PROCEDURE WHEREBY THE DIRECTOR-GENERAL WILL REQUEST AUTHORIZATION
FROM THE EXECUTIVE BOARD TO TRANSFER CREDITS BETWEEN SECTIONS
AND BETWEEN CHAPTERS WITHIN SECTIONS OF THE 1950 BUDGET

The Director-General invites the attention of the Executive Board to the Appropriation Resolution for 1950 adopted by the Second World Health Assembly. ¹
Paragraph II of the Resolution reads:

"AUTHORIZES the Director-General, with respect to Part II of the Budget, in urgent circumstances, to transfer credits between chapters and, with the concurrence of the Executive Board, or of any committee to which it may delegate authority, to transfer credits between sections."

Paragraph III of the Resolution reads:

"REQUESTS the Director-General to report to the next subsequent regular session of the Executive Board all transfers made under the authority of paragraph II hereof, together with the circumstances relating thereto."

At this juncture it is not possible to assess the specific credits requiring transfer between Chapters in Sections and between Sections which may become necessary before the end of the financial year.

In as much as the sixth session of the Executive Board is its last session during 1950, the Director-General proposes that the Executive Board agree that he be authorized to transfer, where appropriate, credits between Chapters in Sections and between Sections, provided that he obtain the prior concurrence in writing of the majority of the Members of the Executive Board.
