

REGIONAL COMMITTEE  
Forty-fifth Session

Provisional Agenda item 24  
SEA/RC45/11  
1 July 1992

**SELECTION OF A SUBJECT FOR THE TECHNICAL DISCUSSIONS AT THE  
FORTY-SIXTH SESSION OF THE REGIONAL COMMITTEE**

The following subjects have been dealt with in the technical discussions held in conjunction with the sessions of the Regional Committee since 1982:

- 1982 Control and prevention of leprosy in the context of primary health care
- 1983 Monitoring and evaluation, including information support for primary health care programme, with special reference to family health
- 1984 Innovations in primary health care within the community
- 1985 Integrated control of priority communicable diseases using PHC infrastructure
- 1986 Integrated approach to maternal and child health care in the context of primary health care
- 1987 Information and education for health in support of Health For All by the Year 2000
- 1988 Development of district health systems
- 1989 Role of epidemiology in health for all
- 1990 Health of the underprivileged
- 1991 Disaster preparedness
- 1992 Balance and relevance in human resources for health for HFA/2000

In selecting a subject for the technical discussions to be held during its forty-sixth session in 1993, the Committee may wish to consider the following subjects:

- (1) Community action for health
- (2) Health and environment
- (3) Emerging technologies and health development - A regional perspective
- (4) Quality assurance in health care
- (5) Elimination of leprosy.
