EXTENSION OF APPOINTMENT OF REGIONAL DIRECTOR
FOR THE AMERICAS

The Executive Board at its eleventh session confirmed the appointment of Dr. Fred L. Soper as Regional Director for the Americas until 31 January 1955.¹

The XIVth Pan American Sanitary Conference has re-elected Dr. Soper as Director of the Pan American Sanitary Bureau for a period of four years as from 1 February 1955. The Board will therefore wish to consider extending the appointment of Dr. Soper as Regional Director for the Americas for a further year as from 1 February 1955. This is in accordance with the Staff Regulations and Staff Rules of the Organization, since Dr. Soper will not reach the age of 65 until 13 December 1956.
