

REGIONAL COMMITTEE

SEA/RC15/10 Add.1

Fifteenth Session

30 August 1962

Provisional Agenda item 11

EXTERNAL CROSS-CHECKING OF BLOOD FILMS RECEIVED FROM MALARIA
ERADICATION PROGRAMMES IN THE SOUTH-EAST ASIA REGION

Addendum

Since document SEA/RC15/10 was prepared, it has been learned that Afghanistan, Ceylon, India, Indonesia, Thailand, the Maldivé Islands and Nepal have signified their concurrence to the proposal for establishing the centre for cross-checking malaria slides in Kasauli. Burma will reply during this session of the Regional Committee. Arrangements with Kasauli will soon be made by the Regional Director, and governments will be informed how and when to send blood slides to the centre to be established.
