REGIONAL COMMITTEE

SEA/RC14/20

Fourteenth Session

18 September 1961

Provisional Agenda item 13

FOOD HYGIENE AND ADULTERATION

At the thirteenth session of the Regional Committee, the Regional Director was requested to take the necessary steps to participate in a meeting of food legislation to be organized by the Food and Agriculture Organization of the United Nations. It is understood that FAO is planning to hold this meeting in the first half of 1962 in Tokyo, but the final date and place have not yet been decided. WHO has been invited to participate, and appropriate arrangements for this will be made in due course.
