Agenda item 2,3

CONTINUED ASSISTANCE BY WHO TO NEWLY INDEPENDENT STATES

Draft resolution submitted by the Republic of Ghana

The Fourteenth World Health Assembly,

Recognizing that there is an increasing number of new Members from under-developed areas being admitted to full membership of WHO, and

Realizing that without adequate numbers of trained doctors, nurses technical and allied health personnel among the indigenous population, these new States can never hope to achieve the primary objective of WHO - enjoyment of the highest attainable standard of health,

1. NOTES with satisfaction the speedy assistance given by WHO to the Republic of Congo (Leopoldville) along these lines;

2. REQUESTS the Director-General:

(1) to continue to give such speedy assistance to all newly independent States who become Members of WHO, and

(2) to report on these matters to the twenty-eighth session of the Executive Board and to the Fifteenth World Health Assembly.
