

FIFTEENTH WORLD HEALTH ASSEMBLY

A15/P&B/WP/22 Rev.1
21 May 1962

Agenda item 2.2.3

ORIGINAL: ENGLISH

NEEDS OF BASIC REQUIREMENTS FOR CLINICAL EVALUATION
OF DRUGS AND INTERNATIONAL EXCHANGE OF INFORMATION
ON THEIR VALUE AND SAFETY

(Amendment proposed by the Delegation of Austria to
the resolution contained in Document A15/P&B/WP/17)

Add new sub-paragraph to page 2:

(c) the Director-General be requested to study by which ways and means adequate information should be obtained and forwarded to Member States on important side-effects of certain pharmaceutical preparations, which would warrant such proceedings.

FIFTEENTH WORLD HEALTH ASSEMBLY

A15/P&B/WP/22 ✓
21 May 1962

Agenda item 2.2.3

ORIGINAL : ENGLISH

NEEDS OF BASIC REQUIREMENTS FOR CLINICAL EVALUATION
OF DRUGS AND INTERNATIONAL EXCHANGE OF INFORMATION
OF THEIR VALUE AND SAFETY

(Amendment proposed by the Delegation of Austria to
the resolution contained in Document A15/P&B/WP/17)

Add new sub-paragraph to page 2:

"(c) The Director-General be requested to inform all Member States of any report on the danger of, or on a suspicion as to the safety of, a drug, as soon as possible following receipt of notification from a Member with the concurrence of the producers of the drug or following a decision of the highest public health authority of the reporting Member State."
