UNITED NATIONS JOINT STAFF PENSION FUND

ANNUAL REPORT OF THE UNITED NATIONS JOINT STAFF
PENSION BOARD FOR 1966 (ARTICLE XXXV OF THE
UNITED NATIONS PENSION FUND REGULATIONS)

1. Article XXXV of the Regulations of the United Nations Joint Staff Pension Fund provides that:

"The Joint Staff Pension Board shall present annually to the General Assembly of the United Nations and to the Member Organizations a report, including a balance sheet, on the operation of these Regulations. The Secretary-General shall inform each Member Organization of any action taken by the General Assembly upon the Report."

2. The annual report of the Joint Staff Pension Board for 1966 was accordingly submitted to the twenty-second session of the General Assembly of the United Nations as document A/6708. It has thus been made available to governments and in view of its bulk is not reproduced here. Extra copies are available should any delegation wish to examine it.

3. The annual report may be briefly summarized as follows: the principal of the Fund as of 30 September 1966 stood at \$ 263 472 871. Participants in the Pension Fund at the same date numbered 16 740 full participants and 8448 associate participants, of which the World Health Organization participants numbered 2114 and 1400 respectively. As at 30 September 1966 there were 2336 beneficiaries of the Fund including pensioners, widows and children.

4. The General Assembly of the United Nations at its twenty-second session noted the REPORT OF THE JOINT STAFF PENSION BOARD.

5. Since there are no matters in this report requiring a decision, the only action which it is necessary for the Health Assembly to take with reference to this subject is to note this report. The Assembly may, therefore, wish to adopt a resolution on the following lines:

"The Twenty-first World Health Assembly

NOTES the status of the operation of the Joint Staff Pension Fund as indicated by the annual report for the year 1966 and as reported by the Director-General."
