

Forty-seventh Session

Agenda item 2.4

SAFETY AND EFFICACY OF DRUGS
PRINCIPLES FOR DRUG CONTROL

(Draft resolution proposed by Professor S. Halter)

The Executive Board,

Having examined the report of the Director-General¹ on Safety and Efficacy of Drugs: Principles for Drug Control,

1. CONSIDERS that the Organization's activities in this field may be of great assistance in promoting the effective and safe use of drugs, particularly as regards:

- (i) the establishment of internationally acceptable basic requirements for drug registration;
- (ii) promotion of the development of national regulations for drug control;
- (iii) the setting-up of national drug regulatory agencies and the training of their staff; and

2. REQUESTS the Director-General to report further to the Twenty-fourth World Health Assembly on these matters, taking into account the views expressed during the discussion at this forty-seventh session of the Executive Board.
