

UNITED NATIONS JOINT STAFF PENSION FUND
APPOINTMENT OF REPRESENTATIVES TO THE WHO STAFF PENSION COMMITTEE

1. In conformity with the Regulations of the United Nations Joint Staff Pension Fund, and according to a decision of the Second World Health Assembly,¹ WHO has set up a Staff Pension Committee composed of nine members (and nine alternate members); three appointed by the Health Assembly, three by the Director-General and three elected by the participants of the Fund. Each appointment is for a period of three years.

2. The representatives of the Health Assembly are:

- (1) Appointed by the Twenty-second World Health Assembly:²
the member of the Executive Board designated by the Government of Japan;
the member of the Executive Board designated by the Government of Upper Volta (alternate).
- (2) Appointed by the Twenty-third World Health Assembly:²
the member of the Executive Board designated by the Government of France;
the member of the Executive Board designated by the Government of Ethiopia (alternate).
- (3) Appointed by the Twenty-fourth World Health Assembly:³
the member of the Executive Board designated by the Government of Trinidad and Tobago;
the member of the Executive Board designated by the Government of Thailand (alternate).

3. As the appointments made by the Twenty-second World Health Assembly expire in 1972, the Twenty-fifth World Health Assembly is called upon to appoint one member and one alternate member to the Staff Pension Committee, the appointments to be made for the normal period of three years.

4. Following the precedent established by previous Assemblies, the Twenty-fifth World Health Assembly may wish to choose its representatives on the Staff Pension Committee from among the members of the Executive Board by designating the names of Member States entitled to appoint a person to the Executive Board.
