VOLUNTARY FUND FOR HEALTH PROMOTION

The Executive Board,

Noting the report of the Director-General on the Voluntary Fund for Health Promotion;¹

Recognizing the role which the Voluntary Fund for Health Promotion is playing and can continue to play in the promotion of health activities, particularly in the developing countries;

1. NOTES with appreciation the increase in contributions made to the Voluntary Fund for Health Promotion, which the Director-General has acknowledged through expressions of thanks to contributors;
2. EXPRESSES the hope that all Members in a position to do so will contribute to the Voluntary Fund for Health Promotion, taking into account the social goal of health for all by the year 2000 and primary health care as the cornerstone in the achievement of this goal, as well as priority programmes of the Organization;
3. REQUESTS the Director-General to transmit this resolution together with the report he has submitted to the Executive Board, to the Members of the Organization, calling particular attention to the Board's expression of appreciation of the contributions made and the need to maintain and increase the momentum of support for the Organization's work through the Voluntary Fund for Health Promotion.
