

IMPLEMENTATION OF TECHNICAL COOPERATION AMONG  
NON-ALIGNED AND OTHER DEVELOPING COUNTRIES

(Draft resolution proposed by the delegations of Cuba;  
Democratic People's Republic of Korea; Nicaragua;  
Yugoslavia; Zambia; and Zimbabwe)

The Forty-first World Health Assembly,

Noting with great satisfaction the decisions taken by a group of Member States - the non-aligned and other developing countries - concerning the implementation of technical cooperation among developing countries;

Reiterating that peace and security are essential to health, and therefore condemning all actions that disturb other countries' peace and security;

Stressing the importance of the decisions adopted by the non-aligned and other developing countries regarding the need for countries to attain self-reliance through technical cooperation;

1. CONGRATULATES the non-aligned and other developing countries on their continuing political commitment and vigorous efforts to attain the goal of health for all through technical cooperation;
2. DEPLORES the interference of any country in other countries' self-reliance and their national social, economic and health development efforts;
3. REQUESTS the Director-General to mobilize support for these and other Member countries in the implementation of their strategies to achieve self-reliance through technical cooperation, and to keep the Health Assembly informed of the progress made.
