

EXECUTIVE BOARD

Eighty-seventh Session

Programme Committee of the Executive Board

27-31 August 1990

Provisional agenda item 4

SPECIAL PROGRAMME OF RESEARCH, DEVELOPMENT
AND RESEARCH TRAINING IN HUMAN REPRODUCTION

At its eighty-first session, in January 1988, the Executive Board reviewed a progress report on the Special Programme of Research, Development and Research Training in Human Reproduction and adopted resolution EB81.R6, inter alia, requesting the Director-General to submit to the Executive Board, through its Programme Committee, the report of the third external evaluation of the Special Programme.

This report, which focuses on the impact of the Programme in developing countries, has been reviewed and adopted by the Policy and Coordination Committee of the Special Programme, and is now submitted for the consideration of the Programme Committee. A summary of the report, prepared by the Chairperson of the External Impact Evaluation Team, is also being forwarded to members of the Programme Committee.¹

¹ The report of the external impact evaluation and the summary are being distributed only to members of the Programme Committee at this time.
