

**REGIONAL OFFICE FOR THE WESTERN PACIFIC  
BUREAU REGIONAL DU PACIFIQUE OCCIDENTAL**

REGIONAL COMMITTEE

Ninth Session  
Manila  
26 September - 2 October 1958

WP/RC9/2 Corr.1  
18 September 1958

ORIGINAL: ENGLISH

ANNUAL REPORT OF THE REGIONAL DIRECTOR

Corrigendum

Page 29, paragraph 4,

delete the two sentences referring to Japanese vaccine, and  
insert the following text:

"The dry vaccine used in Japan, and recently made more heat-resistant by the use of a new adjuvant, has been tested in several laboratories in other parts of the world. These tests, arranged with the assistance of the Organization, suggest that the vaccine may be extremely valuable in future years."
