Les chiffres en italiques se réfèrent aux maxima, médians et minima enregistrés pendant les périodes indiquées; ceux en caractères gras égalent ou dépassent le quartile supérieur des mêmes séries.

* Chiffres révisés.

a) Dépassement du quartile supérieur indiqué seulement pour les taux annuels.

b) Territoire de 1937.

e) Chiffre approximatif ou partiellement estimé.

f) Y compris les « îles adjacentes ».

g) Non compris les « territoires nationaux » (723.000 habitants en 1943).

h) Non compris la province de Santiago del Estero.

i) A l'exclusion des Maoris.

j) « Reichsgaue der Ostmark » (appelés depuis 1942 « Alpen- und Donau-Reichsgaue »), c'est-à-dire territoire de l'Autriche plus quelques districts sudètes rattachés aux Reichsgaue Niederdonau et Oberdonau.

k) Les taux mensuels manquent pour 1931-1932.

l) Les taux pour les années 1931-1940 sont basés sur des chiffres de population non encore révisés à la suite du recensement de 1940.

The figures in italics refer to the maxima, medians and minima recorded during the periods shown; those in thick type equal or exceed the upper quartile of the same series.

* Revised figures.

a) Excess over the upper quartile shown only in annual rates.

b) 1937 territory.

e) Approximate or partly estimated figure.

f) Including "adjacent islands".

g) Excluding "national territories" (723,000 inhabitants in 1943).

h) Excluding the province of Santiago del Estero.

i) Excluding Maoris.

j) "Reichsgaue der Ostmark" (from 1942, called "Alpen- und Donau-Reichsgaue"), i. e., Austrian territory plus a few Sudeten districts incorporated to the Reichsgaue Niederdonau and Oberdonau.

k) Monthly rates are lacking for 1931-1932.

l) The rates for the years 1931-1940 are based upon population figures not yet revised according to the 1940 census.

- m) Janvier-novembre.
- n) Mars-décembre.
- o) Juillet-décembre.
- p) Chiffres provisoires.
- q) Depuis 1940, non compris les 41 communes d'Eupen-Malmédy annexées par l'Allemagne.
- r) Les taux pour 1943 et 1944 sont calculés sur les chiffres de population officiels, qui ne tiennent pas compte des déportations de travailleurs civils. Selon E. M. KULISCHER (*The Displacement of Population in Europe*, B.I.T., Montréal, 1943), le nombre des travailleurs civils belges déportés en Allemagne s'élevait à environ 300.000 au début de 1943. Le taux annuel pour 1943 correspondant à une population réduite de ce chiffre serait de 15,2.
- s) Territoire défini par le Traité de Neuilly (territoire de 1939), c'est-à-dire sans la Dobroudja méridionale et les territoires annexés à partir d'avril 1941.
- t) Taux mensuels calculés avec des chiffres estimés des naissances vivantes, les données mensuelles étant disponibles seulement pour les naissances *totales* (y compris les morts-nés).
- u) Depuis septembre 1938, territoire diminué: non compris les districts des Sudètes et la Silésie de Teschen; en 1939, Bohême, Moravie et Silésie seulement.
- v) Taux annuel corrigé; le taux provisoire est de 31,9.
- w) Le taux pour l'ensemble du pays (comparable à ceux des années antérieures) est de 21,5.
- x) Jusqu'en 1939, 90 départements; de 1940 à 1942, 87 départements (sans l'Alsace-Lorraine); depuis 1943, 86 départements (sans l'Alsace-Lorraine et la Corse). A partir du 1^{er} juillet 1940, la population a été ajustée pour tenir compte des pertes de guerre et des prisonniers de guerre et, depuis 1942, des travailleurs civils déportés en Allemagne.
- y) 43 Etats et le District de Columbia (Juillet 1944: 42 Etats et D.C.).
- z) 44 Etats et le District de Columbia.
- aa) Territoire défini par le Traité de Trianon (territoire de 1938).
- bb) Territoire de Trianon plus la « zone nord » (Tchécoslovaquie) annexée en vertu de la première sentence de Vienne du 2 novembre 1938.
- cc) Territoire précédent plus le « territoire subcarpathique » (Tchécoslovaquie) annexé en mars-avril 1939.
- dd) Territoire précédent plus les « territoires transylvain et oriental » (Roumanie) annexés en vertu de la seconde sentence de Vienne du 30 août 1940.
- ee) Territoire précédent plus les « territoires méridionaux » (Yougoslavie) annexés à partir du 11 avril 1941.
- ff) Taux mensuels relatifs à 1931-1937.
- gg) Taux mensuels relatifs à 1929-1937.
- hh) Taux mensuels relatifs à 1930-1938.
- ii) Les taux sont extraits de *Wirtschaft und Statistik*.
- jj) En raison des forts déplacements de population consécutifs à la guerre et aux transferts de territoires, les chiffres de population et les taux qui en découlent ne sont qu'approximatifs depuis 1940, particulièrement pour 1940 et 1941.

- m) January-November.
- n) March-December.
- o) July-December.
- p) Provisional figures.
- q) Excluding, from 1940, the 41 communes of Eupen-Malmédy annexed by Germany.
- r) The rates for 1943 and 1944 are computed on official population figures which do not take into account deportation of civilian workers. According to E.M. KULISCHER (*The Displacement of Population in Europe*, I.L.O., Montreal, 1943), the number of Belgian civilian workers deported into Germany reached about 300,000 at the beginning of 1943. The annual rate for 1943 corresponding to a population reduced by this number would be 15.2.
- s) Territory as defined by the Treaty of Neuilly (1939 territory), i. e., without Southern Dobrudja and the territories annexed since April 1941.
- t) Monthly rates computed with estimated figures for live births, monthly data being available only for all births (including still-births).
- u) As from September 1938, reduced territory: excluding the Sudeten districts and Teschen Silesia; in 1939, Bohemia, Moravia and Silesia only.
- v) Corrected annual rate; the provisional rate is 31.9.
- w) The rate for the whole country (comparable with those for previous years) is 21.5.
- x) Up to 1939, 90 departments; from 1940 to 1942, 87 departments (without Alsace-Lorraine); from 1943, 86 departments (without Alsace-Lorraine and Corsica). As from July 1st, 1940, population figures have been adjusted to account for war losses, war prisoners and, as from 1942, civilian workers deported into Germany.
- y) 43 States and the District of Columbia (July 1944: 42 States and D.C.).
- z) 44 States and the District of Columbia.
- aa) Territory as defined by the Treaty of Trianon (1938 territory).
- bb) Territory of Trianon plus the « North Zone » (Czechoslovakia) annexed according to the first Vienna award of November 2nd, 1938.
- cc) Previous territory plus the «Subcarpathian territory» (Czechoslovakia) annexed in March-April 1939.
- dd) Previous territory plus the «Transylvanian and Eastern territories» (Roumania) annexed according to the second Vienna award of August 30th, 1940.
- ee) Previous territory plus the «Southern territories» (Yugoslavia) annexed since April 11th, 1941.
- ff) Monthly rates referring to 1931-1937.
- gg) Monthly rates referring to 1929-1937.
- hh) Monthly rates referring to 1930-1938.
- ii) The rates are taken from *Wirtschaft und Statistik*.
- jj) Owing to extensive displacement of population, as a result of the war and transfers or territories, population figures and rates derived therefrom are only rough approximations as from 1940, particularly for 1940 and 1941.
