

RENEWING THE STRATEGY FOR HEALTH FOR ALL: REPORT OF
THE SUB-COMMITTEE OF THE REGIONAL COMMITTEE ON
PROGRAMMES AND TECHNICAL COOPERATION, PART III

The Regional Committee,

Having considered the report of the Sub-Committee of the Regional Committee on Programmes and Technical Cooperation, Part III, on renewing the strategy for health for all and the global document Health for All in the Twenty-first Century;¹

Appreciating the value of the work of the Sub-Committee to Member States and the Regional Committee;

1. ENDORSES the report of the Sub-Committee;
2. REQUESTS the Regional Director:
 - (1) to improve WHO's policy development capacity at the regional level;
 - (2) to strengthen dialogue with international partners in the Region;
 - (3) to support national capacity assessment and capacity building in order to facilitate implementation of Health for All in the Twenty-first Century;

(4) to clarify the meaning of health-for-all values and define their operational implications at all levels of WHO's collaboration with Member States of the Region, in particular:

- Equity, with a special emphasis on reduction of poverty;
- Gender equity;
- Quality, particularly as it relates to public health programmes;

(5) to work with Member States to strengthen information systems at country level and to revise the current evaluation system;

(6) to submit the report of the Sub-Committee to the Director-General as a summary of Members States' concerns with regard to the implementation of the document Health for All in the Twenty-first Century in the Region.
