Video-film

A World United against AIDS. This 30-minute video-film was produced for World AIDS Day 1988. It highlights individual, community and national efforts against AIDS in such countries as Australia, Japan, Kuwait, Mexico, Norway, Trinidad, Uganda, the United Kingdom, the United States and Zambia. And it underlines WHO's lead role in the unprecedented global mobilisation which has resulted from worldwide concern over this epidemic. A World United Against AIDS is available as a VHS cassette in English (a French version is planned), price Swiss francs 55 or US $44 per copy, including postage by surface mail and handling. Specify PAL, SECAM or NTSC when ordering from: Distribution and Sales, WHO, 1211 Geneva 27, Switzerland.
