Coordinating Minister for Human Development and Culture (previously named as Coordinating Minister for the People’s Welfare) is responsible in facilitating coordination, synchronization, and governance control in human development and culture between the child agencies. Food control is among the coordination scopes. The Decree of the Coordinating Minister for the People’s Welfare No 23 of 2011 establishes the Coordinating Team of National Food Safety Network, consists of ministries representatives, to facilitate food safety coordination among the responsible competent authorities at national level.
**FOOD SAFETY PROFILE**

Organogram of Food Safety Competent Authorities in Indonesia

**Indonesia Food and Drug Agency**
Deputy III for Processed Food Control
- Control on processed food for retail and for further food processing, including food additives and processing aids.
  - Jl. Percetakan Negara No. 23 Jakarta 10560
  - https://www.pom.go.id/new/
  - +6221-425-3857

**National Standardization Agency**
- Develop standards on food quality and safety (Standard National Indonesia/ SNI)
  - Building I BPPT 9th floor J. M.H. Thamrin No. 8 Jakarta 10340
  - http://sispk.bsn.go.id/SNI/DaftarList
  - +6221-392-7422 ext. 101/102

**Fish Quarantine and Inspection Agency**
- Ensuring fish health, quality, and safety of fishery products for export and import
  - Certification on fish and fisheries product
  - Mina Bahari 2nd Building, 6th Floor Medan Merdeka Timur No.16
  - +62 21 3519070
  - info@bkipm.kkp.go.id
## FOOD SAFETY PROFILE

### Directorate General for Agro Industry (MOI)
- Control on refined sugar, wheat flour, cocoa powder, bottle water, biscuit, instant coffee
  - Jalan Gatot Subroto No. 52-53, 18th Floor Jakarta 12950
  - [www.kemenperin.go.id](http://www.kemenperin.go.id)
  - +62 21-525-2713; 525-5509 ext. 2625/4062

### Directorate General for Customs and Excises
- Control on tariff for Importation and Exportation
- Contact point for Indonesia National Single Window (INSW)
  - Directorate General for Customs and Duties Jalan Jend. A. Yani / By-Pass, Jakarta
  - [www.beacukai.go.id](http://www.beacukai.go.id)
  - +62 21-150-0225, 489-7511

### Halal Product Assurance Organizing Agency
- Halal certification for food products
  - Jl. Raya Pondok Gede No. 13 Pinang Ranti Jakarta 13560
  - +62 21 8087 7955

### Food Security Agency
- Control on the safety of fresh food
  - Jalan Harsono RM No. 3, Ragunan, Pasar Minggu, Jakarta 12550
  - bkp@pertanian.go.id
  - [http://bkp.pertanian.go.id/home](http://bkp.pertanian.go.id/home)

### Directorate General for Food Crops
- Export-import recommendation for rice
- Control on plant pests
  - Jalan AUP No. 3 Pasar Minggu Jakarta 12520
  - +62 21 7824669
  - [http://tanamanpangan.pertanian.go.id/](http://tanamanpangan.pertanian.go.id/)

### Directorate General for Horticulture
- Control on horticulture products
  - Jl. AUP No.3 Pasar Minggu Jakarta 12520
  - +62 21 78832048
  - [http://hortikultura.pertanian.go.id/](http://hortikultura.pertanian.go.id/)

### Directorate General for Livestock and Animal Health Services (DGLAHS)
- Control on animal and food from animal origin
  - Building C, 6th -9th Floor Jalan Harsono RM No.3, Ragunan, Pasar Minggu, Jakarta 12550
  - [http://ditjenpkh.pertanian.go.id/](http://ditjenpkh.pertanian.go.id/)
  - +62 21 7815580 to 83, 7847319

### Indonesia Agricultural Quarantine Agency (IAQA)
- Control on animal and fresh fruits & vegetables
  - Building E, 1st, 3rd, 5th, 7th Floor Jalan Harsono R.M No. 3 Ragunan, 47 Jakarta 12550
  - [http://karantina.pertanian.go.id/](http://karantina.pertanian.go.id/)
  - +62 21 7816840

### Directorate General for Diseases Prevention and Control
- Public health surveillance, including the emerging infectious diseases and foodborne diseases
  - Jl. Percetakan Negara No.29 Jakarta 10560
  - [http://p2p.kemkes.go.id/](http://p2p.kemkes.go.id/)

### Directorate General for Public Health
- Control on water, food, and environmental sanitation and hygiene
- Hygiene certification on ready to eat food establishment (restaurants, food stalls, etc.)
  - Jl. HR Rasuna Said Blok X.5 Kav 4-9 Jakarta 12950
  - +62 21 500567
  - kontak@kemkes.go.id
Food Safety Policy and Regulations

Food Safety Policy

Food Safety strategic plans are established through maintaining Food to be safe, hygienic, excellent, nutritious, and not in conflict with religion, belief, and culture, preventing biological, chemical and contamination that can interfere, harm, and endanger human health.

These strategic plans are performed through Food Quality and Safety guarantee; and halal product guarantee for those required. This policy is achieved through arrangement on Food Sanitation; Food Additives; Genetically Engineered Food Products; Irradiated Food; Food Packaging.

Government and Regional Government in an integrated manner shall guarantee implementation of Food Safety on every Food chain through establishment of standards and procedures as well as food businesses operators’ compliance to technical regulations.

Food Import and Export Control

Institutions responsible for import and export recommendation

(1) Indonesia Food and Drug Agency
   Directorate of Low and Medium Risk Processed Food Control
   Responsible for issuing import licenses (Surat Keterangan Import (SKI)) and Health Certificate and Certificate of Free Sales (Surat Keterangan Ekspor (SKE)) for processed food products, raw material for food, and food additives
   Jl. Percetakan Negara No.23; F building 3rd floor Jakarta 10560
   +62 21 42875584

(2) Ministry of Agriculture (MoA)
   Directorate General for Veterinary Health Services
   Responsible for releasing import recommendation (Surat Rekomendasi Pemasukan/ SRP) for animal or products with animal origin
   Jl Harsono RM No.3 Ragunan Jakarta Selatan, C building 7th Floor
   yanrekditjenpkh@pertanian.go.id
   https://simrek.ditjenpkh.pertanian.go.id/

(3) Ministry of Trade
   Directorate General for Foreign Trade
   Responsible for releasing Import Permit (Surat Persetujuan Impor/SPI) for all food commodities
   Electronic Licensing Services on Trade (INATRADE)
   Main Building, 9th Floor Jl. M.I Ridwan Rais No. 5 Jakarta 10110
   http://inatrade.kemendag.go.id/

(4) Ministry of Finance
   The DG for Customs and Excise
   Jl Jend A Yani (By-Pass) Rawamangun, Jakarta 13230
   http://www.beacukai.go.id/websitenewV2/index.html

(5) Ministry of Marine Affairs and Fisheries
   Fish Quarantine and Inspection Agency
   Responsible for certification of fish and fisheries products
   http://www.bkipm.kkp.go.id/bkipmnew/en

(6) Indonesia National Single Window (INSW)
   Sarana Jaya Building GF, Floor 5-7 Jl Rawamangun No.59 C Pramuka Raya Jakarta 10570
   info@insw.go.id; secretariat@insw.go.id; sistem.informasi@insw.go.id; helpdesk@insw.go.id

Food Contaminations and Residue Monitoring

1. Salmonella in Chicken (2017-2019)
2. 3-MCPD and Glycidyl Esters in Frying Oil (2018)
4. Allergen
Food Safety Accredited Laboratory

1. National Center for Development on Drug and Food Analysis/ Pusat Pengembangan Pengujian Obat dan Makanan Nasional – Food and Drug Authority (FDA)
   - ASEAN food safety reference laboratory for food additives
   - Scope of services: food analysis, calibration, training, proficiency test, procurement of microbial culture and reference materials
   - Capacity of analysis: mycotoxin, heavy metals, GMO, microbiology, DNA specification testing, food colors, illegal dyes (rhodamine B, auranine, orange GNN, Methylnl-yellow)
   - Jl Percetakan Negara No.23 Jakarta 10560
   - +62 21 4245075 Ext 1110
   - https://www.pom.go.id/pppomn/

2. Agro-based Industry Calibration and Analytical Laboratory/ Balai Besar Industri Agro (BBIA)- Ministry of Industry
   - Reference laboratory for food analysis in Indonesia
   - Certification/accreditation: NATA Australia; ISO/IEC 17025:2017
   - Scope of services: food sampling and analysis, calibration, certification, consultation, training, research, proficiency testing, inspection and validation on thermal process, agro-based industry design and technical modification
   - Capacity of analysis: food and beverages, food ingredients, feed, drinking water, bottled water, contaminants (microbiology, heavy metal, PAH, aflatoxin), vitamin A, B1, B2, B6, C, D, E), fatty acids and cholesterol, food fiber, folic acid, nutritional facts, etc.
   - Jl. Ir. H. Juanda No. 11, Bogor 16122
   - +62 251 8324068
   - cabi@bbia.go.id; csbbia@bbia.go.id
   - www.bbia.go.id

3. Laboratory for Quality Testing / Balai Pengujian Mutu Barang (BPMB) – Ministry of Trade
   - National Reference Laboratory for Pesticide residues analysis
   - Certification/accreditation: BSI, KAN
   - Scope of services: analysis, proficiency test, provide information on Certified Reference Material (CRM), training
   - Capacity of analysis:
     - Organoleptic test for food products, beverages, and agricultural commodities such as tea, coffee, cacao, nutmeg
     - Microbiology analysis for food products, beverages, and agricultural commodities.
     - Quality control analysis on raw material, semi-processed, and final product of corn, rice, frying oil, milk, biscuit, bottled water, cacao, coffee, tea
     - Pesticides residue testing in fruits and vegetables
   - Jl Raya Bogor Km 26 Ciracas Jakarta 13740
   - +62 21 8703881/8710477
   - pelayanan@bpmb.kemendag.go.id
   - http://lab-bpmb.kemendag.go.id/
Foodborne Diseases Surveillance Programmes

a. Status of foodborne diseases surveillance programmes: Event-based surveillance (EBS) and Indicator-Based Surveillance (IBS)

b. List of public health laboratories and epidemiology institutes/units involved in foodborne diseases surveillance programmes

- Laboratory for Environmental Health and Diseases Control, DG for Diseases Prevention and Control, Ministry of Health (Balai Besar/Balai Teknik Kesehatan Lingkungan dan Pengendalian Penyakit/ BB/BTKLPP)

There are ten (10) BBTKLPP located in 10 cities throughout the country (Jakarta, Jogjakarta, Surabaya, Banjarbaru, Medan, Palembang, Batam, Makassar, Manado, Ambon). A unit of BBTKLPP provides laboratory services for several nearby provinces of its coverage.

Scope of services: testing of environmental samples (water, soil, liquid waste), food samples and drinking water, human specimen, microbiology.

Food Safety Risk Assessment

a. Responsible institutions for risk assessment at national level

Indonesia Risk Assessment Center (INARAC)

- +62 21 42887465/ 42887351
- sekretariat.inarac@gmail.com; inarac@pom.go.id

b. Priority of commodity and contaminants

1) Priority commodities: poultry, peanut
2) Priority contaminants: salmonella, aflatoxin
